	CulvertEnd	

NOTE:
 The Sanitary and Storm Sewer information shown on this plan has been compiled by the Town of Groton Engineering Dept. from the following sources: Record Drawings, Field Location/Verification and 100 Scale Aerial Mapping. The horizontal location of the Sanitary and Storm Structures and Pipes is believed to be correct but the actual field location may vary.

The water line information shown on this plan has been provided by Groton Utilities and is ONLY being used to show that domestic water exist in the road right-of-ways and they DO NOT represent the actual location of the water lines below the surface of the ground.

Disclaimer:
 Planimetric and Topographic information depicted on this map was compiled by EarthData International and is based on an aerial flight performed in April 1999. Real property information has been derived from recorded deeds, plats, public records, and other data. The intent of this map is to depict a graphical representation of property information relative to planimetric features and is subject to change as a more accurate survey may disclose. The Town of Groton and the mapping company assume no legal responsibility for the information depicted on this map. IT IS NOT TO BE USED FOR THE TRANSFER OF PROPERTY.
 Horizontal Datum is based on North American Datum of 1983 (NAD 83 Feet).
 Vertical Datum is based on National Geodetic Vertical Datum of 1929 (NGVD 29).

Town of Groton Fort Hill Homes Sanitary Sewer, Storm Sewer and Water Lines
