Park Information:

This small neighborhood-scale passive recreation area offers fine views of an inlet within Baker Cove. A picnic area with seating provides a pleasant venue for enjoying an afternoon along the cove. Stone dust paths and parking area provide easy access to site's amenities. Look for the gravel drive entrance to the site opposite Plant Street and adjacent to a small brown sewer pump station. The site is located directly across Baker Cove from the Elks Lodge (700 Shennecossett Rd). Be aware that launching of small boats at this site is not recommended.
